Education Program Objectives

As a result of participating in this program attendees will be able to:

1. Compare the advantages/disadvantages of cryoablation, RF ablation, and laproscopic partial nephrectomy in treatment of small renal masses.
2. Evaluate outcome data for the different approaches.
3. Based on the patient, make a better determination if observation may be the most appropriate form of treatment.

Target Audience

Practicing Urologists, Residents, Office Staff

*The Massachusetts Medical Society designates this educational activity for a maximum of 2.0 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This activity meets the criteria of the Massachusetts Board of Registration in Medicine for risk management study.

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the Massachusetts Medical Society and the Massachusetts Association of Practicing Urologists.

The Massachusetts Medical Society is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
